REGULATORY ISSUANCES IN THE 45 SERIES

REFERENCE: NPIC Instruction No. 5-1, dated 28 November 1968

The Logistics Branch review of its regulatory issuances in the 45 series (Logistics) has been completed. As a result it is necessary for offices to retain only the following issuances in their regulatory manuals.

NPIC Instruction 45-1, dated 1 May 1969
NPIC Instruction 45-2, dated 8 May 1969
NPIC Notice 45-1, dated 11 February 1969
NPIC Notice 45-2, dated 23 April 1969
NPIC Notice 45-3, dated 26 June 1969
NPIC Notice 45-4, dated 24 September 1969*

25X1 * NPIC Notice - [] "Pentagon Shuttle Bus Service" dated 24 September 1969 was inadvertently numbered 45-3. Please make a pen and ink correction to number that particular notice 45-4.

All other NPIC regulatory issuances in the 45 series are to be destroyed.

The official record copy of NPIC regulatory issuances will be kept by the Support Services Division. This includes copies of issuances which are revised, made obsolete, rescinded or removed from the regulatory system for any reason.
